

Subject: Dues

Dear Parent of a Faith AWANA clubber,

We would like to explain the purpose of collecting dues from the clubbers in AWANA. Dues are 50 cents per week. In a small way this teaches the clubber to faithfully bring in dues, which teaches them principles of tithing. In addition, it helps offset some of the costs associated with running an AWANA program. If the parent would prefer to just make a one time payment, we only charge \$13 (a \$2 savings). A child will not be discriminated against if dues are an issue.

Sincerely,

Terry Rubin
